8.5 Disposition of Assets - If the Company at any time disposes of any of its assets included in any Member's Capital Account, each Member shall be adjusted to account for that Member's share of the net profit or loss of the Company under Article DC (below) of the Net Profit or Loss. Losses that would have been realized by the Company had it sold the assets that were disposed of at their respective fair market values immediately prior to their disposition.

8.6 Sale or Exchange of Interest - In the event of a sale or exchange of assets or all of a Member's interest in the Company, the Capital Account of the Transferring Member shall become the capital account of the Assignee, to the extent it relates to the portion of the Interest Transferred.

8.7 Compliance with Section 704(b) of the Code - The provisions of this Article VIII as they relate to the maintenance of Capital Accounts are intended, and shall be construed, and, if necessary, modified to cause the allocations of profits, losses, income, gain and credit

OPERATING AGREEMENT

pursuant to Article IX to have substantial economic effect under the Regulations promulgated under § 704(b) of the Code, in light of the distributions made pursuant to Articles EX and XIV and the Capital Contributions made pursuant to this Article VIII. Notwithstanding anything herein to the contrary, this Operating Agreement shall not be construed as creating a deficit restoration obligation or otherwise personally obligate any Member to make a Capital Contribution in excess of the Initial Contribution.

ARTICLE IX ALLOCATIONS AND DISTRIBUTIONS

9.1 Allocations of Net Profits and Losses - Except as may be required by § 704(c) of the Code, and §§ 2, 3, and 4 of this Article DC, net profits, net losses, and other items of income, gain, loss, deduction and credit shall be apportioned among the Members in proportion to their Sharing Ratios.

9.2 Company Minimum Gain Charge back - If there is a net decrease in Company Minimum Gain for a Taxable Year, each Member must be allocated items of income and gain for that Taxable Year equal to that Member's share of the net decrease in Company Minimum Gain. A Member's share of the net decrease in Company Minimum Gain is the amount of the total net decrease multiplied by the Member's percentage share of the Company Minimum Gain at the end of the immediately preceding Taxable Year. A Member's share of any decrease in Company Minimum Gain resulting from a revaluation of Company Property equals the increase in the Member's Capital Account attributable to the revaluation to the extent the reduction in minimum gain is caused by the revaluation. A Member is not subject to the Company Minimum Gain Chargeback Requirement to the extent the Member's share of the net decrease in Company Minimum Gain is caused by a guarantee, refinancing, or other change in the debt instrument causing it to become partially or wholly a Recourse Liability or a Member Nonrecourse Liability, and the Member bears the economic risk of loss within the meaning of § 1.752-2 of the regulations for the newly guaranteed, refinanced, or otherwise changed liability.

9.3 Member Minimum Gain Charge back - If during a Taxable Year there is a net decrease in Member Minimum Gain, any Member with a share of that Member Minimum Gain (as determined under § 1.704-2(i)(5) of the Regulations) as of the beginning of that Taxable Year must be allocated items of income and gain for that Taxable Year (and, if necessary, for succeeding Taxable Years) equal to that Member's share of the net decrease in the Company Minimum Gain. A Member's share of the net decrease in Member Minimum Gain is determined in a manner consistent with the provisions of paragraph (g)(2) of this section. A Member is not subject to this Member Minimum Gain Chargeback, however, to the extent the net decrease in Member Minimum Gain arises because the liability ceases to be Member Nonrecourse Liability due to a conversion, refinancing, or other change in the debt instrument that causes it to become partially or wholly a Company Nonrecourse Liability.

OPERATING AGREEMENT

The amount that would otherwise be subject to the Member Minimum Gain Chargeback is added to the Member's share of Company Minimum Gain. In addition, rules consistent with those applicable to Company Minimum Gain shall be applied to determine the shares of Member Minimum Gain and Member Minimum Gain Chargeback to the extent provided under the Regulations issued pursuant to § 704(b) of the Code.

9.4 Qualified Income Offset - In the event any Member, in such capacity, unexpectedly receives an Offsettable Decrease, such Member will be allocated items of income and gain (consisting of a pro rata portion of each item of the Company's income and gain for such year) in an amount and manner sufficient to offset such Offsettable Decrease as quickly as possible.

9.5 Interim Distributions - From time to time, the Managing Members shall determine in their reasonable judgment to what extent, if any, the Company's cash on hand exceeds the current and anticipated needs, including, without limitation, needs for operating expenses, debt service, acquisitions, reserves, and mandatory distributions, if any. To the extent such excess exists, the Managing Members may make distributions to the Members in accordance with their Sharing Ratios. Such distributions shall be in cash or Property (which need not be distributed proportionately) or partly in both, as determined by the Managing Members.

ARTICLE X TAXES

10.1 Elections - The Managing Members may make any tax elections for the Company allowed under the Code or the tax laws of any state or other jurisdiction having taxing jurisdiction over the Company.

10.2 Taxes of Taxing Jurisdictions - To the extent that the laws of any Taxing Jurisdiction requires, each Member requested to do so by the Managing Members will submit an agreement indicating that the Member will make timely income tax payments to the Taxing Jurisdiction and that the Member accepts personal jurisdiction of the Taxing Jurisdiction with regard to the collection of income taxes attributable to the Member's income, and interest, and penalties assessed on such income. If the Member fails to provide such agreement, the Company may

withhold and pay over to such Taxing Jurisdiction the amount of tax, penalty and interest determined under the Laws of the Taxing Jurisdiction with respect to such income. Any such payments with respect to the income of a Member shall be treated as a distribution for purposes of Article IX. The Managing Members may, where permitted by the rules of any Taxing Jurisdiction, file a composite, combined or aggregate tax return reflecting the income of the Company and pay the tax, interest and penalties of some or all of the members on such income to the Taxing Jurisdiction, in which case the Company shall inform the Members of the amount of such tax interest and penalties so paid.

OPERATING AGREEMENT

10.3 Tax Matters Partner - The Managing Members shall designate one of their number or, if there are no Managing Members eligible to act as tax matters partner any other Member, as the tax matters partner of the Company pursuant to § 623 (a)(7) of the Code. Any Member designated as tax matters partner shall take such action as may be necessary to cause each other Member to become a notice partner within the meaning of § 6223 of the Code. Any Member who is designated tax matter partner may not take any action contemplated by §§ 6222 through 6232 of the Code without the consent of the Managing Members.
